

## CITATION SYSTEM

*This flexible, powerful system provides you with full record-keeping capabilities for traffic violation records.*

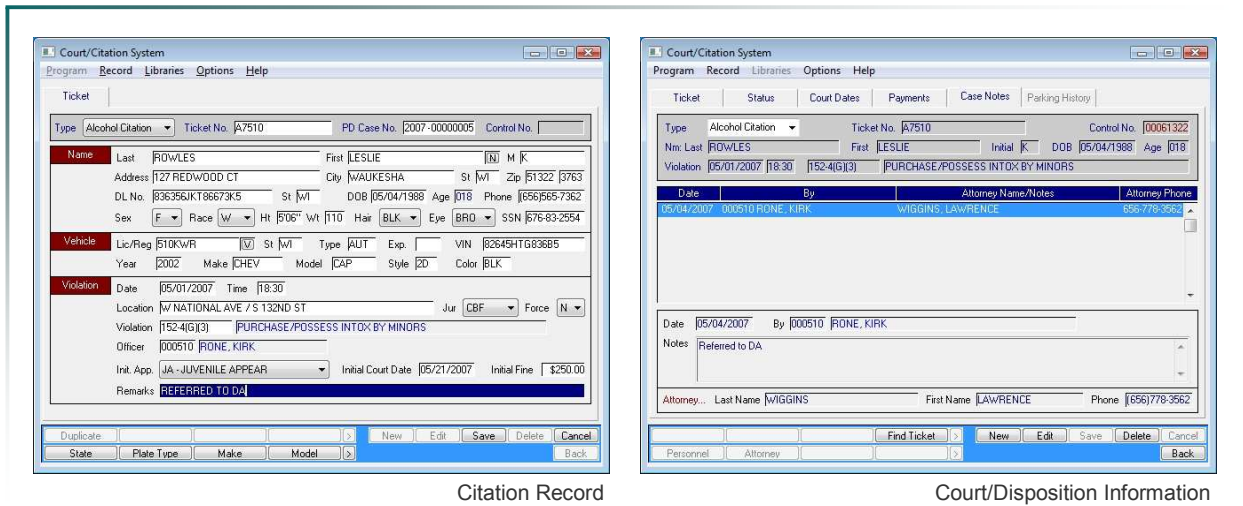

Larimore Associates' Citation System automates and simplifies the process of tracking citations with an easy-to-use interface.

### Thorough record-keeping capabilities

- ◆ Track everything related to citations, including complete information about the offender, the vehicle, and the violation
- ◆ Ability to track:
  - Traffic citations
  - Warnings
  - Ordinances
  - Parking violations

### Full suite of reports and searches

- ◆ Full reporting system that allows you to produce officer activity reports and determine the number of citations for a given area over a given time period
- ◆ Powerful search function allows you to quickly find records by:
  - Vehicle
  - Offender
  - Date range
  - And more

**Larimore's Citation System makes entering data, producing reports and conducting searches as streamlined and easy as possible.**
